

LINES – SHOCK LEADER

HOOK LENGHT

- 50M. Clear color single spool of high-tech line packed in an exclusive UV-cut printed display bag made in Japan.
- Less elongation than nylon
- High density line sinking quicker in water
- No water absorption and same strength in dry or wet conditions
- High flexibility and stiffness, reflective index close to water: 1,33
- Diameters and breaking strains provided on the packaging and on the labels are both 100% accurate and reliable. This information is guaranteed by the SILSTAR Organization
